

Bedwell Rangers Football Club Health and Safety Statement

January 2023

Bedwell Rangers Football Club takes the health, safety and welfare of everyone very seriously and as such all members of the club and players MUST ensure that they do not undertake any activity without first assessing the risks involved to them and anyone else.

It is the personal responsibility of all members to take reasonable care of their own health and safety and therefore should identify any possible risks involved and take whatever precautions are necessary prior to the commencement of any activity on behalf of Bedwell Rangers Football Club and should not interfere with anything provided to safeguard their health and safety.
